THE DELI

PERSIAN EVENING

Indulge in vibrant plates served like small gifts: bright, fresh herbs contrasting against deep, slow-cooked spices, and jewel-like pomegranate seeds that pave the way for a lingering, sweet finish.

SAM SLATER

A UK guitarist and oud player whose music draws on Middle Eastern, jazz, and world traditions.

His oud playing has taken him to some of the UK's biggest stages and festivals, including WOMAD, The Barbican and Royal Albert Hall.

Sam will bring the rich, resonant sound of the oud to DRAPERS LANE DELICATESSEN for an evening of Persian-inspired music.
